OFFICIAL DISTRIBUTORS OF  

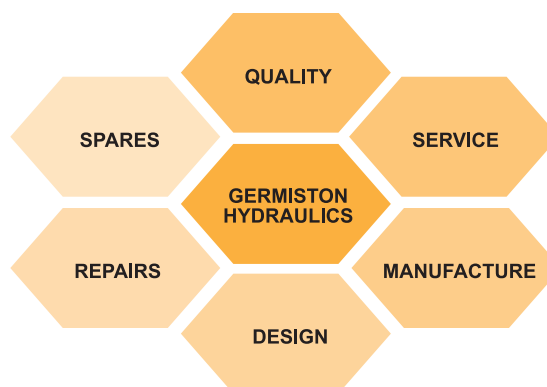

GH GERMISTON HYDRAULICS (Pty) LTD.

Germiston Hydraulics (Pty) Ltd was established in 1979 and is a family owned and run business, we have been servicing the industrial sector for over 30 years.

Germiston Hydraulics is a leading manufacturer and supplier of motion and control technologies and systems, providing precision-engineered solutions for a wide variety of commercial, mobile and industrial markets.

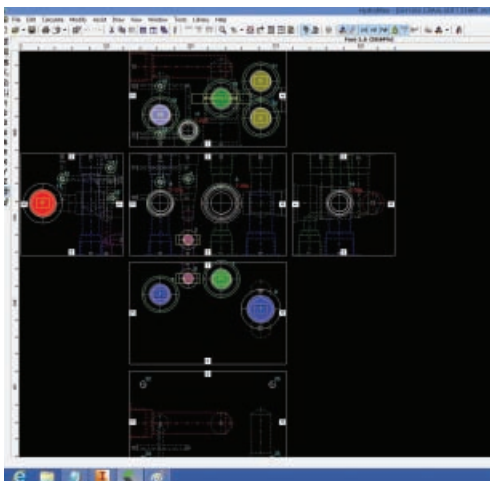

As a distributor for Parker Hannifin Hydraulic products, ASA Coolers and Sun Hydraulic manifolds and cartridges we aim to supply service of a high standard and products of high quality while minimising downtime for our clients.
